

GRANTING FOR EXPLORATION LICENCE EL 005427

The Board of **ABA Resources Pty Ltd** is pleased to announce the granting of EL 005427 by Earth Resources.

On the 10th June 2020 Cassilis Mining was granted a 5 year Exploration Licence to EL 5427. This is for Gold, Platinum and Silver and covers an area of over 239 square kilometers in the Cassilis area.

Cassilis Mining identified areas of gold mineralization and other potential mineral deposits in the application area through the use of historical information and readily available geological data.

The granting of this license does not include mining activities.
